

# Jesus is everywhere

Ooh...

Jesus is everywhere  
He understand all about us  
He watches over His children  
He understand all about us

On the streets  
In our house  
On the jam  
All around  
He's everywhere  
And He understand all about us

Oh Father... (X8)  
*He's everywhere*  
*He understand all*  
*On the streets, in our house,*  
Where, when shall I go well...

Ooh...

On the streets  
In our house  
On the jam  
All around  
He's everywhere  
And He understand all about us

Oh Father... (X8)  
*He's everywhere*  
*He understand all*  
*On the streets, in our house,*  
Where, when shall I go well...

Ooh...

He watches over His children...  
He understand... all... about us!
