

# Natural Woman (Aretha Franklin)

Looking out on the morning rain  
I used to feel so uninspired  
And when I knew I had to face another day  
Lord, it made me feel so tired  
Before the day I met you, life was so unkind  
But you're the key to my peace of mind

Because you make me feel,  
You make me feel, you make me feel like  
A natural woman

When my soul was in the lost-and-found  
You came along to claim it  
I didn't know just what was wrong with me  
Till your kiss helped me name it  
Now I'm no longer doubtful of what I'm living for  
And if I make you happy I don't need to do more

Because you make me feel,  
You make me feel, you make me feel like  
A natural woman

Oh, baby, what you've done to me  
You make me feel so good inside  
And I just want to be close to you  
You make me feel so alive  
You make me feel,  
You make me feel, you make me feel like  
A natural woman
