Think

Freedom x8

Think x7

You better think, think 'bout what you try to do to me
Think , let your mind go let yourself be free.

Let's go back, let's go back, **let's go 'round or back when**
I didn't even know you, you couldn't be too much more than ten.
I ain't no psychiatric, **I ain't no doctor with degrees.**
But it don't take too much IQ to see what you're doing to me

You better think, think 'bout what you try to do to me
Think let your mind go, let yourself be free.

Freedom x8

There is nothing you could ask, **I can answer you what I want.**
And I'm gonna change my mind if you keep doin' things I don't.
You better think, think 'bout what you try to do to me
Think let your mind go, let yourself be free.

You **need me** and **I need you**
Without each other
There is nothing people can do.

Freedom x8

People going 'round everyday **playing games and taking scores**
Try to make other people lose their mind, well be careful don't you lose
You better think, think 'bout what you try to do to me
Think let your mind go, let yourself be free.

You **need me** and **I need you**
Without each other
There is nothing people can do.
