

Wade in the water

Wade in the water.
Wade in the water, children.
Wade in the water.
Don't you know that God's gonna trouble the water.

Wade in the water.
Wade in the water, children.
Wade in the water.
Don't you know that God's gonna trouble the water.

Well, who are these children all dressed in red?
Don't you know that God's gonna trouble the water.
Must be the children that Moses led.
Don't you know that God's gonna trouble the water.

Wade in the water.
Wade in the water, children.
Wade in the water.
Don't you know that God's gonna trouble the water.

Jordan's water is chilly and cold
Don't you know that God's gonna trouble the water.
It chills the body, but not the soul.
Don't you know that God's gonna trouble the water.

Wade in the water.
Wade in the water, children.
Wade in the water.
Don't you know that God's gonna trouble the water.

If you get there befor I do.
Don't you know that God's gonna trouble the water.
Tell all of my friends I'm coming too.
Don't you know that God's gonna trouble the water.
